

Business success seminar

The Department of Employment, Economic Development and Innovation invites you to a business seminar presented by gold medallist and business owner Steven Bradbury.

Aside from his skating career Steven also started a business – the Revolutionary Boot Company (RBC) – a manufacturer of high quality, custom made and mass-produced skating boots and accessories. Since its commencement in 1998 RBC has expanded its appeal not only domestically but also in the

international arena. The future success of RBC was assisted when Steven won his gold medal in 2002 while wearing a pair of RBC skates.

By taking risks and working hard Steven has grown his business which now proudly sponsors skaters in short track, inline and more recently long track skating.

Steven will be using examples from his own business to present on:

- the importance of teamwork in business
- successful business strategies
- values and principles to sustain a positive workplace culture
- achieving your best by setting goals
- excellence in leadership.

The Bundaberg Chamber of Commerce will also launch its newly established 'Business Excellence Awards' at this seminar.
